Dear Educator,

We are thrilled to share **BUILD STRONG FAMILIES WITH STORIES**, a joint initiative of First Book and Search Institute, with generous support from Disney. This diverse collection of 21 books with downloadable reading guides is designed to help families grow stronger.

Strong families support a child’s success in school and in life. Through ongoing research, Search Institute has identified actions, called Family Strengths, that **ALL FAMILIES** can take to grow stronger together. Search Institute research has shown that these Family Strengths can have an even larger impact on a child’s well-being than family income, immigration status, education level, neighborhood or other demographic factors. The Family Strengths fall into six categories:

- ★ EXPRESSING CARE
- ★ CHALLENGING GROWTH
- ★ PROVIDING SUPPORT
- ★ EXPANDING POSSIBILITIES
- ★ CREATING ROUTINES AND TRADITIONS
- ★ CONNECTING TO YOUR COMMUNITY

The books (appropriate for children ages 4 to 8) each model behaviors that families can adopt in order to grow stronger. Every title is paired with a downloadable reading guide designed for parents and caregivers that includes activities, discussion prompts and key ideas to take away from the story.

Send these books and reading guides home to families, or use them in your own classroom or program! We hope these resources will help you engage families while empowering them to build upon their own strengths and help their children succeed.

Happy Reading!
Your friends at First Book and Search Institute

BUILD STRONG FAMILIES WITH STORIES

Family Strengths are actions that ALL FAMILIES can take to grow stronger and support a child’s success, according to Search Institute research. This guide will help you discuss this story with your child and use it to explore your family’s unique strengths.

MUSIC, MUSIC FOR EVERYONE
written and illustrated by Vera B. Williams

When Rosa sees how much Grandma enjoys the music she and her friends play, she organizes a band to earn money that can help pay for Grandma’s medical bills.

TALK AND ASK YOUR CHILD QUESTIONS AS YOU READ

★ Rosa is helping to take care of her sick Grandma. ASK: Who else is caring for Grandma? How are they helping? Who takes care of you when you are sick?

★ Rosa turns to her friends when she needs help starting the band. ASK: If you had an idea, who would you turn to for help? Why is working with others important?

★ Tell your child about a time when you needed help and explain who gave it to you. ASK: If you needed help and I wasn’t here, who would you ask to help you?

★ Rosa gets lots of support so that she can help her Grandma. ASK: Where else in Rosa’s community helps Rosa? How do you think our community is similar or different from Rosa’s?

TAPPING COMMUNITY RESOURCES is an action you can take in your family to connect to your community. Learn more at www.ParentFurther.com.

Let your child know that there are always people who can help. Make a list together of the people they can turn to. It might include grandparents, aunts, uncles, family friends, siblings, cousins and neighbors. Also show your child other places where they can find helpful people, like school, the library, a clinic, the fire and police stations or the hospital.
